

Opening:

To start, gather as many household members as you can who'd like to participate to play a rousing game of Broken Telephone! Use the following lines to see how well you can relay God's message and see how challenging it can be for us to listen for God's words and hear them!

1. I love to show love to the people I love.
2. You love me and I love you, but we should show love to our neighbours, too.
3. L.O.V.E. that spells love from God to me.

Children's Story:

Follow-Up Family Activities:

Show Your Neighbours the Love:

Using your time and talents, can you think of an idea or a way you can show your neighbours (your friends, family, neighbourhood or people in general) God's love? Here are a few ideas to get you started:

1. Make handcrafted cards using paper and craft supplies and send them in the mail... everyone loves to receive mail in their mailboxes!
2. Choose a favourite song or make up one talking about loving others and record yourself performing it to send to those you want to give a singing smile-o-gram to!
3. Write your own story or a journal entry about how you've shown love to your neighbours in the past. Could you act it out for your family?

Closing Prayer & Worship Song:

Check out the [closing prayer](#) using the link and then finish with a rousing song called "Give It Away" from LifeTree that you can dance along to and do the actions! Let it fill you with the Spirit and give you energy for the week!
